

VICTORIAN GOVERNMENT PRIMARY SCHOOLS

Please see below a list of Victorian government primary and P–9/P–12 schools that can enrol international students who hold a subclass 500 Student - Schools visa.

Please note, Victorian government schools are either Level 1 or Level 2 accredited. Level 1 accredited schools do not provide homestay accommodation and additional welfare support services to international students. Level 2 accredited schools do provide these services (for students 13 years of age and over). International students attending Level 1 schools are required to live with a parent / guardian or a Department of Home Affairs approved relative.

All other international student visa holders can study at these accredited schools or at any other non-accredited Victorian government schools. To find a general listing of Victorian government schools, see: [Find a Service](#).
