

VYLC Overseas Language Study Grant for 2019

Fact Sheet

What is the Victorian Young Leaders to China Program?

The Victorian Young Leaders to China (VYLC) Program is an award winning, six-week in-country immersion program for Year 9 students. The program combines language and cultural learning with personal development and leadership skills and is designed to help prepare them to live and work as citizens and future leaders in a more inter-connected global community.

Program Objectives

The VYLC Program aims to position Victorian secondary schools as world leaders in learning and development, with a focus on Chinese literacy, intercultural understanding and student leadership.

What is the Overseas Language Study Grant?

An initiative of the VYLC Program, the Overseas Language Study Grant (OLSG) provides individual students with an opportunity to undertake an independent Chinese language study program in China for a minimum of six weeks. The grant supports students by making a financial contribution toward their individual program.

What Chinese language study programs can students undertake?

The Chinese language study program undertaken must be offered by a Student Exchange Organisation (SEO) registered with the Victorian Registration and Qualification Authority (VRQA)¹. Students and their parent/guardian are responsible for choosing and applying to a registered SEO to deliver their Chinese language study program. Please note that the student and their parent/guardian will be responsible for independently liaising with the SEO; the Department of Education and Training (DET) will not be involved in the planning or delivery of the students' in-country program. The program chosen must be for a minimum of six weeks duration with a focus on Chinese language and culture. Students in receipt of an OLSG must participate in all activities provided by their selected SEO, which should include:

- pre-departure information and briefing;
- a Chinese language study program in China for a minimum of six weeks, including school immersion, Chinese language and culture classes and homestay experience; and
- a post program debriefing.

Participants will also be invited to participate in an evaluation VYLC Program.

Eligibility for an Overseas Language Study Grant

Students will be eligible to apply if they

- are intending to enroll in 2019 in Year 9 at a Victorian registered school (Government, Catholic or Independent) – eligible for a minimum of 6 weeks commencing in 2019;
- are a continuing learner of Chinese language (prerequisite Year 7 and 8 Chinese language studies);
- can demonstrate a satisfactory level of achievement in Chinese language study to date; and
- have not participated in another VYLC Program.

¹ The VRQA is a statutory authority with responsibility for the approval and quality assurance of SEOs under section 4.5A of the Education and Training Reform Act 2006. Only VRQA approved SEOs can provide secondary student exchange programs for Victorian secondary school students.

Selection Criteria

In addition to the eligibility requirements listed above, applicants will be assessed against the following criteria:

- demonstrated commitment to increasing their proficiency in Chinese language and their understanding of Chinese culture;
- demonstrated commitment to sharing and communicating their learning from the overseas language study program with other students and their school community; and
- demonstrated personal qualities to act as a "representative" of their school and Victoria.

Funding

Successful applicants may be eligible for one of the following grant amounts to contribute to their individual Chinese language study program:

- \$3,000 per student as a co-contribution with parents/guardians responsible for all other related costs;
- OR**
- \$6,000 per student where the student is named as a current healthcare or pensioner concession card that lists the student by name. Parents/guardians will be responsible for all other related costs.

The student's parents/guardians will act as the grant recipient and be responsible for managing all grant expenditure and reporting as well as organisational arrangements in conjunction with their selected SEO. The grant is paid in two parts, with the majority paid upon demonstrating that the student has been accepted into a Chinese language study program by an SEO. The balance is paid upon demonstrating completion of the program.
